Michigan Association of Health Underwriters hosts UP Meeting

LANSING, MICH, July 30, 2015 — Michigan Association of Health Underwriters, hosted a membership meeting in Marquette on Thursday, July 23rd.

Karen Kirkpatrick owner of On Your Mark consulting spoke on ACA & ERISA Compliance to the Northern Michigan Members in attendance. “It was a great day in northern Michigan” said Wayne VanDerKolk, President of MAHU “We had a great turn out and the board is pleased we were able to assist with coordinating this meeting. Bringing membership value and education to our members of the UP is important”.

“We are really proud of the work that our association and members do together to help the citizens of Michigan make the best healthcare insurance choices for taking care of themselves and their families, while also advancing our professional standards and excellence,” said MAHU past president Val Cramer.

The Michigan Association of Health Underwriters represents 800 members statewide and is comprised of local association chapters of insurance professionals who improve the health, financial and retirement security of Michigan citizens through education, advocacy and professional development.
